PHILIPS
sense and simplicity

Highlights

Play and charge your iPhone/iPod

Enjoy your favourite MP3 music while charging your iPhone/iPod! The dock lets you connect your portable device directly to the Docking entertainment system so you can listen to your favourite music in superb sound. It also charges your iPhone/iPod while it plays so you can enjoy your music and not have to worry about your portable player battery running out. The Docking entertainment system automatically charges your portable device while it is docked.

USB Direct for easy MP3 music

Thanks to the complete file transferability, you can easily enjoy the convenience and fun of accessing more digital music via the built-in USB Direct.
